email: info@gypsycobregister.com

Please complete the form to the best of your knowledge. Some tests are performed by partner labs or labs located outside the UK. Results of these tests may take a little extra time.

1. Send 30-40 mane or tail hairs pulled with roots attached in a plastic zip-lock bag.
2. Label bag with the horse's name as indicated on this form.
3. Include cheque, money order or credit card information for the appropriate amount.
4. Post samples to the address indicated below.
