DATE de l'examen/DATE of examination:.....

LIEU de l'examen/PLACE of examination:.....

The diagram & written description must agree & be sufficiently detailed to ensure positive identification of the equine. White markings must be shown in RED & the written description completed using BLACK INK in BLOCK CAPITALS or may be typed. If no white markings, this must be stated in the written description. All whorls should be marked ('X') and described in detail.

VETERINARY SURGEON'S DECLARATION
I certify that the markings are a true representation of the equine presented to me. Signature, name & stamp
